MAILING & SHIPPING

POLY MAILERS

THE BASICS

Our Poly Mailers are designed for the secure shipment of items and are highly popular with online retailers. A tamper-proof and water resistant construction prevents any damage that occur during shipment.

PRODUCT FEATURES

- A white exterior and silver interior provide complete opacity from prying eyes.
- Tear-resistant and durable.
- Tamper-evident, with a permanent self-seal adhesive strip for easy closure.
- Choice of Standard (non-perforated). Perforated, Returnable, and Expansion (bottom gusseted).
- Returnable Poly Mailers have a second adhesive strip to allow for easy merchandise returns or a second shipment.
- Expansion Poly Mailers have a bottom gusset to accommodate bulky items.

TECHNICAL DETAILS

Made from a coextruded blend of Low and Linear Low-Density Polyethylene. All mailers provide featuring a tamper proof permanent adhesive closure and side weld construction.

MAILING & SHIPPING

CUSTOM POLY MAILERS

Our Custom Poly Mailers provide a private and secure way to ship items. White on the outside and silver on the inside, these offer complete opacity to keep contents hidden from prying eyes. Choose from a variety of constructions, printed or unprinted:

Perforated or Non-perforated

Select to add a tear strip below the adhesive for easy opening, or choose non-perforated for a tamper-proof construction.

Expandable

These feature a bottom gusset for mailer expansion to accommodate bulkier items.

Returnable

These feature two adhesive strips and two perforations. The top strip folds and seals for initial shipment, and can be opened with the first perforation. The second strip can be folded over and sealed for return shipment.

Printing

Custom design your poly mailer with up to six colors on both sides, spot and process printing. Create a branded image or a full-color, full-bleed mailer.

TECHNICAL DETAILS

Made from a coextruded blend of Low and Linear Low-Density Polyethylene. All mailers feature a tamper proof permanent adhesive closure and side weld construction.

Each construction is available in a range of sizes and gauges. All mailers are water-resistant and feature a tamper-proof permanent adhesive closure and side weld construction. Packaged in cases.
